## About PNCC

The Palau National Communications Corporation (PNCC) is the leading provider of telecommunications services in the Republic of Palau. With a deep-rooted commitment to fostering connection, we have been a cornerstone of the community since our establishment in 1982.

We support a comprehensive suite of services including LTE mobile data and voice, fixed-line broadband internet, landline telephone, digital television, VHF radio, and customized ICT solutions, reaching every corner of our vibrant island nation.

PNCC has consistently focused on innovation and quality, inspired by our mission to connect all of Palau with world-class telecommunications services. Understanding the uniqueness of Palau's geography, economy, and culture, PNCC has customized solutions for our islands, maintaining a high standard of quality and reliability.

### HIGH-SPEED INTERNET

- The most comprehensive network in Palau, connected to the world via Palau's international fiber optic cable
- Supplying customized, cost-effective high-speed Internet options for businesses
- FlexEnterprise back-up connectivity solution via Intelsat - Rapid, Resilient Connectivity Anywhere, Anytime.

### FIXED LINE SERVICES

- Offering quality Multi-line business telephone systems with expert after-sales support and maintenance.
- Single business lines with various calling features also offered.
- International calling options for your business.

### MOBILE DATA

- Palau's first and only nationwide mobile data service provider
- Offering 4G/LTE data packages, with an upgrade to 5G in progress
- Various monthly subscription options available including IoT plans
- Prepaid bundles for short-term visitors
- Pocket WiFi Rentals
- Outbound roaming services

### DIGITAL TV

- Multi-room rates for hotels and apartments
- Enjoy more than 65 channels of international and local news and entertainment with PNCC Digital TV.
