Open Date: December 05, 2022

Close Date: December 16, 2022

Position Title

**PLANT CONSTRUCTION TECH I (2) POSITION
“FULL TIME CONTRACTUAL EMPLOYMENT”**

Starting Salary

Starting @ \$ 14,164.80 p/a

JOB OBJECTIVES:

1. Assist in the Plant & Engineering Division on basic construction task to ensure the highest-standard of plant construction, etc. and performs other duties as required.
2. Contribute to optimize customer satisfaction in a manner consistent with PNCC Strategy by performing assigned and routine tasks in a timely and flawless manner.
3. Be compliant with Our Values so that not only customers, but also employees of PNCC feel happy to do transactions with you.

KEY DUTIES AND RESPONSIBILITIES:

Performs work requiring the knowledge and application of basic elements of the trade. Work assignments range from simple to moderately complex.

Assists in the construction, etc of the aerial and/or underground telephone/DTV cables and other PNCC services.

Carries equipment and materials to work site; assists in digging holes, clearing bushes trimming trees, erecting poles and stringing aerial cables; assists in digging underground trenches and laying cable conduit pipes and cables.

Performs various aerial cable duties such as climbing telephone poles to remove and transfer cables, etc.; May operate a vehicle to transport materials to the job site.

Receives on-the-job training in the principles, practices, concepts, methods, techniques, work procedures, etc., fundamental to the agency and trade. Receives detailed instructions when given initial assignments but as the employee's knowledge, skills and abilities increase in the field of work, supervision is relaxed with respect to the performance of familiar/routine work assignments; and increasingly difficult assignments are made for training/developmental purposes. Employee functions under the close supervision of the Plant Construction Duty Manager who explains work assignments and review completed work for accuracy and propriety.

QUALIFICATION REQUIREMENTS:

EDUCATION: High School Graduate or equivalent. **Work Experience:** At least two (2) years work experience as an apprentice or helper under a skilled Plant Construction worker; or related work experience. **Skills:** People oriented skills; Time management; quality performance delivery etc. **Abilities:** Requires the ability to be attentive, accurate and maintain concentration and be able to learn a variety of tasks. Flexibility to handle multiple tasks, prioritizes work, and adapts to change. Require the ability to work within a team environment. Good command of spoken and written English and Palauan language.

LICENSES AND OTHER REQUIREMENTS:

Possession of a valid Republic of Palau's driver's license.
